

Walk 1 from Caffi Porthdinllaen

Turn left as you come out of the café car park. Walk up the lane to the Golf Club.

Go through the kissing gate onto the golf course and walk down along the tarmac road. This road becomes rougher when the tarmac ends and leads down to Porth Dinllaen Beach. At the turning down to the beach, keep left up the path to the cliff top. Follow the cliff top until you get to Lifeboat Bay.

Before going down to Lifeboat Bay take a few minutes to visit the cliff edge looking out at a small island where you might be lucky enough to see some seals on the rocks.

Turn back and go down to Lifeboat Bay. Follow the coastal path along the bottom of the cliff until you get to Porth Dinllaen beach. Walk along the beach until you get to Morfa Nefyn. Turn right by the white houses and walk up the road to the crossroads. Turn right onto the golf road once more and Caffi Porthdinllaen soon appears on your right.
